

LM60T Laser Distance Meter

LM60T is a 2-in-1 laser tape designed with 5m and 60m range for tape and laser distance measurements. It is widely used in home decoration, engineering, construction, and other industries.

Specifications	LM60T
Display type	EBTN-LCD
Display size	1.22-inches
Range	60m laser, 5m tape
Measurement units	m/ft/in/' "
Measurement basis	front/rear
Accuracy	±2.0mm
Laser class	Class 2
Laser type	630~670nm, <1mW
Single measurement	√
Continuous measurement	√
Area	√
Volume	√
Pythagoras	√
Power indication	√
Automatic laser shutdown	30 seconds
Auto power off	3 minutes
Data storage	20 sets
Drop test	1m
